

2005-2006 PTO AND SCHOOL FUNDRAISING RESULTS

Thank you to our school and parish families for supporting Catholic education at Nativity. It was a special year with the school's tenth anniversary. A year of reaching new heights in our fundraising efforts and as a result, the students and teachers enjoyed a variety of curriculum and classroom enhancements. One notable fundraising accomplishment, thanks to individual donations and PTO funds, was the ability to purchase every item on the *Teacher's Wish List*. Again, thank you to the community and volunteers who make this school the brightest star on the horizon!

Here are the results and an explanation of how the money raised will be used:
