

Polaris 2nd Edition

The supplement pages of Polaris have been distributed to the students who ordered a yearbook last year. Supplement pages for the 2011 graduates were sent home with siblings.

The pages were packaged in recycled folders for protection. Please look for it in your children's backpack.

These pages can be inserted by removing the adhesive tape and attaching it to the white sheet immediately following page 52.

Please look for information on the 3rd edition of Polaris soon. **Copies are limited, please don't miss out on placing your orders this year.**
